

## Greater Sudbury AAA Co-operation Committee Off-Season Team Events Policy

---

### **Objective:**

To ensure that all AAA players have the opportunity to participate in other sports during the off-season.

### **Applicability:**

Any team, coach or player under the jurisdiction of the AAA Committee.

### **Process:**

AAA teams, coaches and players will not be permitted to organize, operate or attend any team event, including (but not limited to) sanctioned or non-sanctioned events, team practices, off-ice training and conditioning, etc. during the off-season. It is imperative that young players be afforded the opportunity to participate in other sports, leisure activities, family activities, etc. apart from hockey. For the purposes of this policy, the "Off-Season" is defined as May 1st to July 31st.

Fund raising events and team social events are excluded from this policy.
