

Player Release Policy

Objective:

To provide development opportunities for the participants in the Association by:

- Allowing players who have not been granted a position on either an AAA, an AA or A team within the NCHA, to tryout for another Rep association.

Applicability:

- Players must have participated in the NCHA spring evaluation process.
- Players will skate with NCHA teams within their age group. The coach of the team determines that the player is not required for the team.
- All NCHA players will only be released after all NCHA tryouts.

Process:

- Week 1 will be the AAA NCHA team tryouts. Once the AAA coach selects the AAA players, the remaining players go to the AA tryouts.
- Once the AA coach selects the AA players, the remaining players go to the A tryouts.
- Once the A coach selects the A players, the remaining players can request a release.
- The coach will inform the President from the Association that the player can be released. The President from the Association will give the necessary release to the parents of the player.
