### REP HOCKEY SEASON PLAN

**All applicants are required to provide a written hockey Season Plan. This plan must be submitted with your application prior to the interview; it is understood to be a draft, meaning that changes can be expected.**

The Season Plan shall compose of the following:

1. a letter to be handed to the parents of all the children at tryouts, specifically outlining the team philosophy and expectations (players);
2. the time commitment outlining practices, games, dryland, tournaments and extra ice time (parents and players); and,
3. the financial commitment including a budget that indicates to parents the additional costs out of their pockets involved, sponsorship to seek and fundraising to do (parents).

As well, come to the interview prepared to discuss the resources and tools you will use during the season to develop the following: a players' skill development plan (skating, puck handling, passing, shooting, etc.) and a team tactic development plan (positioning, get the puck out, transition, offensive zone, shorthanded, power play, etc.).

NCHA functions, meetings, training sessions, etc., that require the presence of team staff, such as "annual meeting, coaches and managers meeting, coach's clinics, player evaluations, tryouts, etc..." All successful applicants are required to attend and participate.

Furthermore, I agree to respect all of the by-laws, regulations and policies of the NCHA, NOHA, NOHL & GNML.

**I understand that failure to comply with any of the above may result in disciplinary action.**
